I had a very exciting day on my winter holiday. In that day many interesting events were happened. My friend Lucy and I had a birthday, so we decided to make a party and invite all the our friends here. When we all met my other classmate suggested us to visit one popular museum and then go to the cafe. I refused her because I thought it would be boring. As a result of our long conversation, we all agreed that idea with visiting small, cozy house was great. My step brother Ted started planning our way and I started to analyze all the risks. Others just waited for us. After preparing, we started our little trip into the forest. Ted said that we all should be quiet. Unfortunately, his advice didn't save us from the meeting with a wolf. We all were frightened and panicked. We started to talk and he tried to make a right decision. But suddenly the wolf left. We all were shocked and happy. At the same time, then we explored those house and discovered it wasn't scary. We spent our birthday there. Lucy told to me it was interesting birthday in her life. The most interesting thing and I agreed with her.

I had a very exciting day on my winter holiday. My family and I went to Astana to visit our relatives. Although it was really boring to go there. The weekends were amazing. My cousin had birthday party. So we walked around the city. We decided to visit all places we saw there. At the beginning, my cousin wanted to show me his favourite places. We were in the park and met there an interesting man. He sang a song for people. I asked him to sing for my cousin. He did it. I saw happiness in cousin's eyes. It was amazing because that man is so talented and creative. But the most exciting part of that day was in the evening. Family, friends, relatives. All of them went to the square bar. And cousin asked me to sing. I wasn't sure, but he convinced me. Everyone was looking at me. I was embarrassed. But I did it. I sang. I didn't think it could be true. But it was. Now this day is one of my favourite days.

A) Hello Jack, I am going to thank you for giving me your dictionary. When I was writing away I am sorry for not returning it in time since I already was keeping it about week. I remember that I promised returning it to you yesterday but because I had busy day I forgot and couldn't see you at all. I remembered about it only today. My apologies. I can return the dictionary by bringing it to your house today if you're at home and agree with that. I think it's a the best solution of this problem because I know that you're having another test tomorrow so you need to prepare with dictionary. Thank you for offering to me your dictionary.
